## **World Green Economy Summit 2021**

Dubai Electricity and Water Authority and  
World Green Economy Organisation

The World Green Economy Summit is one of the leading global forums on the green economy. It brings together world-class experts in critical sectors from around the world to directly focus on advancing the global green economy and sustainability agenda. Organised by the Dubai Electricity and Water Authority and World Green Economy Organisation, the summit is held under the patronage of HH Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai, in cooperation with Dubai Supreme Council of Energy and WETEX. WGES is the premier international platform to drive dialogue and action amongst industry stakeholders, and build partnerships and collaboration by connecting creative minds across different sectors. The summit showcases innovative solutions and leading practices to inspire change, and aims to align stakeholders with policy-makers to create a facilitative environment and ecosystem for sustainable green growth that address current and future needs.

**Music Conference**  
Russian Federation

A business event with participation of key market players from the Russian music community as well as representatives of leading music record labels from Russia. They will discuss the dynamic music scene and cutting-edge music technologies, aligned with the challenges and solutions to various questions the industry has to face today.

3 Nov 2021

**Airman by Another Kind of Blue**  
Kingdom of the Netherlands

Airman is an exhilarating duet between mankind and technology, focusing on the question of what human consciousness would look like when represented by technology. This so-called technological consciousness is embodied by twelve seemingly independently moving drones which have a unique live interaction with the dancer. The result is a piece that tells the story of the magical and sometimes alienating interplay between dance and technique.

### **European and Global Blockchain Strategy**

European Union

The objective of this event is to give visibility to EU-related blockchain initiatives, combined with other related technologies, to communities attending EXPO 2020, which have specific interest in block-chain and related regulatory and legal aspects. This event would be a high level round-table of global policy-makers and CEOs from the EU, Asia, the Middle East, Africa and North America addressing the convergence of block-chain with other emerging technologies like AI, IoT and 3D printing, which can enable a new decentralized industrial revolution and data economy globally. A focus would be on empowering the individual and on ethics. Cooperation with member states, in particular with the German or Portuguese presidency, will be sought, as well as experience sharing and synergies with the initiative "Block-chain Dubai" launched by Smart Dubai. Speakers could include ministers, commissioners, representatives of regulatory authorities and national administrations, as well as CEOs of successful start-ups. The expected audience would be up to 400 participants and the duration of the event will be one full day.

1 - 2 Mar 2022

**Russia Creates**  
Russian Federation

A business event aimed at bringing together creative leaders and professionals from different business industries to showcase the best examples of business solutions implemented on the Russian market.

3 Mar 2022

**World Wildlife Day**  
Specialist Programming

On World Wildlife Day, Expo 2020 Dubai will advocate for living in harmony with nature, protecting biodiversity and saving our fast-dwindling wildlife from extinction. The core objective of the Day will be to engage visitors who, through a myriad of initiatives and activations around the World Wildlife Day celebration, will discover the importance of wildlife conservation and biodiversity for the sustainable development of our planet. Please note that for all International Days, we will have three event types: People-facing Flagship; Specialist; and Youth Circle.

8 Mar 2022

### **International Women's Day**

Programme for People & Planet | Women's Pavilion Programming

International Women's Day will shed light on the misconceptions and unconscious biases around women while also supporting the elimination of these stereotypes. This Day is a celebration of women creating substantial impact in efforts to usher in a gender-equal world. Please note that for all International Days, we will have three event types: People-facing Flagship; Specialist; and Youth Circle.

10 Mar 2022

### **Moscow Forum**

Russian Federation

A business and media conference aimed at bringing together business leaders and media influencers showcasing the best examples of projects realized in Moscow, Russia.

15 - 16 Mar 2022

### **Chinese-Arab Entrepreneurs National Brand Exchange and Development Forum**

Doopa Shibo Cultural (Beijing) Co Ltd

This forum focuses on national brand development. It aims to strengthen relations between Chinese and Arab entrepreneurs by creating a networking platform for idea exchange and business collaborations.

20 Mar 2022

### **International Day of Happiness**

Specialist Programming

International Day of Happiness will call on people to act collectively on promoting happiness and wellbeing. A vibrant programme of discussions and activations across this Day will address the importance of creating a more inclusive, sustainable and equitable world in order to achieve happier societies. Please note that for all International Days, we will have three event types: People-facing Flagship; Specialist; and Youth Circle.

21 Mar 2022

### **Mother's Day**

Specialist Programming

A special Mother's Day celebration will be held across the Expo 2020 site honouring the original intention of Mother's Day by focusing on the wellbeing and health of mothers. As such, Expo 2020 will curate programming to advance support for mothers, recognise the transcendence of the maternal bond, the achievements of mothers around the world, breast cancer awareness, and the importance of healthy living. Mother's Day will be aligned with Expo's Women's Pavilion Programming.

22 Mar 2022

### **Thematic Business Forum - Opportunities in Water**

Expo Business Programme

The Thematic Business Forum will be a platform for highlighting non-traditional business opportunities, cutting-edge technologies and progress achieved by the UAE, participating countries and Expo Partners relevant to the water sector. The forum will also be an opportunity for Partners to have meaningful conversations that ultimately foster knowledge transfer and business opportunities.

23 - 24 Mar 2022

### **UAEU-AUS Arid Regions Conference**

Commonwealth of Australia

Conference on water management and sustainability solutions for arid regions.

23 - 24 Mar 2022

### **Global Business Forum - Latin America**

Dubai Chamber Of Commerce and Industry

The Global Business Forum on Latin America brings together public and private sector stakeholders to examine investment prospects in Latin American economies. The forum - attended by heads of state, ministers, prominent businessmen and industry experts - is designed to explore new avenues of cooperation between Latin American businesses and their UAE counterparts, while it positions Dubai as global gateway to growth markets.
